Karyl,

During the public comment period, I wanted to stress that the City of Marion does not support project H090181, the widening of NC 226 to multi-lanes between I-40 and US 221. The City of Marion does especially support SPOT ID # B150791, a sidewalk extension on Baldwin Avenue, # B150803, the Peavine Trail project and # B150814, the Catawba River Greenway Phase 3 project to be undertaken by McDowell County.

The widening of US 221 between US 74 and Marion is also supported by the City of Marion.

Please let me know if you have any questions.

Thank you,

Bob Boyette
